

Teacher Advisory ... "Wildlife Wired: Ask the Expert!"

SciQ, in partnership with Alberta Learning, Access Television, and Reel Girls Media, invites teachers and their students to take part in "Wildlife Wired: Ask the Expert!" Join wildlife expert Chris Fisher for a live discussion about tiger salamanders from 9:00 - 10:00 a.m. (MST) on Wednesday, May 26th, 2004. This learner-centred educational event features a live video broadcast and online chat that brings students together from across Alberta and Canada.
